### INGREDIENTS

A list of ingredients used in this feed may be obtained from the manufacturer or registrant.

### DIRECTIONS \ MODE D'EMPLOI

Feed this supplement at a rate of 0.20-0.30% of body weight to sheep and goats, and 0.05% of body weight to cattle. To prepare a total mixed ration for growing beef cattle, weighing 250 kg and consuming 2.50% of body weight in dry matter intake or 6.25 kg, mix 0.175 kg of this supplement with 2.5 kg barley grain, 1 kg of canola meal, 0.05 kg of 427600 NLM Re-charge 2:1 Beef Cow Premix, and 6 kg of barley silage. Thoroughly mix the grains, protein sources, supplements, and premixes with the forages in the total mixed ration. Always provide access to clean, fresh water \ Distributez ce supplément à raison de 0,20 à 0,30 % du poids vif pour les ovins et caprins, et de 0,05 % pour les bovins. Pour préparer une ration totale mélangée destinée à des bovins de boucherie en croissance pesant 250 kg et consommant 2,50 % de leur poids vif en matière sèche, soit 6,25 kg, mélangez 0,175 kg de ce complément à 2,5 kg de grains d'orge, 1 kg de tourteau de colza, 0,05 kg de 427600 NLM Re-charge 2:1 Beef Cow Premix, et 6 kg d'ensilage d'orge. Mélanguez soigneusement les grains, les sources de protéines, les compléments et les prémélanges aux fourrages de la ration totale mélangée. Toujours fournir de l'eau propre et fraîche.

# 474300

This animal feed is labelled and fit for consumption by the intended species only, and is intended only for such use, in accordance with current veterinary practices and as indicated on the labelling. The manufacturer of this product will not be liable for any direct, incidental, or consequential damages resulting from any use of this product which is in any way inconsistent with the foregoing, including, but not limited to, the use of this product for consumption by other species.
